

STAND BY ME

Ben E. King

(King/Lieber/Stoller)

TIP: The (G5) in the intro is formed like an (Em) on the 5th fret (7th if capo 2) but using your ring finger and pinky with your index finger on the 6th string of the 3rd fret. You play two strums of the (G5) and then 3 quick strums lifting off the 6th string in between. That's what the denotation is for. If this is too messy just play (G). Since this is a bass line emphasize the 3 or 4 bass strings throughout the intro.
